- *Water and food for the day
- *No sandals. No shorts.

MUST BE 21 YEARS OF AGE - MINIMUM

Advanced Weapon Tactics reserves the right to refuse training to anyone.

The skills taught in this course are essential skills required for survival. You will learn how to be fast from the holster, fast to target and fast on the trigger. High speed reloading, short cuts to the first new round and weapon control. Malfunction conditioned response. Understand use of cover options, multiple targets and shooting while moving. This course is intended for those who have already obtained a Concealed Weapons Permit, and want to advance their skill levels.
